THE MID-CON

Now in its 24th year as an NCAA Division I athletics conference, the Mid-Continent Conference is coming off a year in which its student-athletes, coaches, administrators and teams continued to strengthen its reputation as a nationally competitive and well-respected league. The Mid-Con's member schools - Centenary College of Louisiana, Chicago State University, IUPUI (Indiana University-Purdue University Indianapolis), UMKC (University of Missouri-Kansas City), Oakland University, Oral Roberts University, Southern Utah University, Valparaiso University and Western Illinois University - are located primarily in the Midwest's largest urban areas, and pride themselves on providing quality athletic, academic and social experiences for their student-athletes.

The Mid-Con sponsors an all-time high of 19 championship sports, which includes: baseball, men's and women's basketball, men's and women's cross country, men's and women's golf, men's and women's soccer, softball, men's and women's swimming & diving, men's and women's indoor track & field, men's and women's outdoor track & field, men's and women's tennis, and volleyball.

A brief review of the Mid-Con's highlights over the past two decades:

1982-83
The Association of Mid-Continent Universities is founded with "Frosty" Ferzacca as its first commissioner. The initial AMCU line-up includes Cleveland State, Eastern Illinois, Illinois-Chicago, Northern Iowa, SW Missouri State, Valparaiso, Western Illinois and Wisconsin-Green Bay.
1983-84
UW-Green Bay and Eastern Illinois each play in the NCAA Men's Soccer Tournament, making them the league's first NCAA Tourney teams in any sport.

1985-86
Cleveland State earns the AMCU's first national recognition in the NCAA Men's Basketball Tournament. The 14th-seeded Vikings upset No. 3 seed Indiana on their way to a "Sweet 16" appearance. In addition, SW Missouri State begins a string of five consecutive postseason appearances by reaching the quarterfinals of the NIT.

1987-88
The AMCU sends two teams to men's basketball postseason play for the third straight season. Ferzacca steps down as commissioner and is replaced by Jerry Ippoliti. Eastern Illinois' Jim Maton is the league's first NCAA National Champion, as he wins the 800 meter run at the NCAA Indoor Track Championship.

1989-90
The AMCU sends a conference-record three teams to postseason play in men's basketball, including Northern Iowa, which upsets former No. 1 Missouri in the first round of the NCAA Tournament. The AMCU changes its name to the now familiar Mid-Continent Conference.

1990-91
For the second straight season, the Mid-Con sends two teams - in this case, Northern Illinois and UW-Green Bay - to the NCAA Men's Basketball Tournament.

1991-92
The league announces that it will begin sponsoring women's athletics - strengthened by the membership of seven former North Star Conference members - the following year with the debut of six championship sports. UW-Green Bay's Tony Bennett establishes the league's all-time scoring record in men's basketball and wins his second straight Mid-Con Scholar-Athlete of the Year Award.

1992-93

UW-Milwaukee wins the first Mid-Con-sponsored women's championship when it takes home the cross country crown. Northern Illinois makes the first NCAA appearance by a Mid-Con women's team in the NCAA Women's Basketball Tournament. Wright State's Brian Anderson is the third overall pick in the Major League Baseball draft after repeating as the league's Pitcher of the Year.

1993-94
Northern Illinois' volleyball squad posts the league's first women's NCAA Tourney win with a three-game triumph over Illinois State. UW-Green Bay upsets California in the first round of the NCAA Men's Basketball Tourney. Six schools depart the Mid-Con at the conclusion of the season.

1994-95
The league's revamped line-up includes Buffalo, Central Connecticut State, Chicago State, UMKC, Northeastern Illinois and Troy State. Jon Steinbrecher begins a league-record nine-year tenure at the Mid-Con helm when he replaces Ippoliti as commissioner. Valparaiso begins a string of five straight regular-season titles and six consecutive Mid-Con Tournament titles in men's basketball.

1995-96
Charter member Eastern Illinois departs the Mid-Con, but not until after winning its ninth men's outdoor track and field title, a record for all Mid-Con sports that still stands.

1996-97
Buffalo (cross country) and Valparaiso (volleyball) earn the first-ever "three-peats" in Mid-Con women's athletics.

1997-98
Oral Roberts and Southern Utah join the Mid-Con. Oral Roberts begins a string of six straight Mid-Con volleyball titles, and wins its first-round match in the NCAA Tournament by edging Arizona in five games. The Mid-Con becomes one of few NCAA Division I conferences across the nation to simultaneously run its basketball championships at the same neutral site. Valparaiso reaches the NCAA "Sweet 16", thanks to the efforts of NBA draftee Bryce Drew, who hits "The Shot" which eventually earns him an ESPY from ESPN. Youngstown State earns the first Mid-Con women's tourney win, topping fifth-seeded Memphis in the first round.

1998-99
IUPUI and Oakland begin competition in the Mid-Con. Western Illinois wins its eighth men's swimming and diving title. Associate member DePaul reaches the NCAA Softball College World Series, posting a third-place finish, and sets a Mid-Con single-season record with 54 wins.

1999-00
Southern Utah is the first Mid-Con school to win an NCAA Cross Country regional with a victory in the Mountain Region. The Thunderbirds went on to finish 21st in the NCAA Men's Cross Country Championship. Western Illinois softball reels off a 25-game win streak behind Mid-Con Pitcher of the Year Holly Killion, who sets Mid-Con records with 30 wins and 355 strikeouts.

2000-01
Oakland women's soccer player Anita Rapp - a two-time Mid-Con Player of the Year (1999, 2001) and a WUSA draftee - earns a Gold Medal while playing for her native Norway in the 2000 Olympic Games. The Mid-Con renames its Women's All Sports Award for retiring Western Illinois Director of Athletics Dr. Helen Smiley.

2001-02
Southern Utah sweeps the Mid-Con cross country championships for the fourth straight year, while UMKC captures the conference's first-ever NCAA Men's Soccer College Cup win, a 2-1 overtime triumph

over former league member UW-Milwaukee. Oral Roberts' Krista Ragan sets the Mid-Con women's basketball career scoring record (2,105), and becomes the first player in league history to earn four first-team all-conference citations in the sport. Valparaiso posts the biggest turnaround in NCAA women's basketball (from 7-22 in 2000-01 to 26-7 in 2001-02) on its way to reaching the quarterfinals of the WNIT. UMKC's Matt Voelker earns outdoor track and field All-America honors in the high jump.

2002-03
The Mid-Con sets a league record by sending four teams combined - IUPUI (NCAA) and Valparaiso (NIT) on the men's side and Valparaiso (NCAA) and Western Illinois (WNIT) on the women's side - to basketball postseason play. Oral Roberts' Marsha Dawkins earns All-America honors in the 400 meter dash at both the NCAA Indoor and Outdoor Track and Field Championships. IUPUI women's basketball player Tiffany Kyser is Indiana's recipient of the NCAA "Woman of the Year" award (she is also a finalist for the national award). Steinbrecher resigns as commissioner and is replaced by Ron Bertovich.

2003-04
Centenary begins Mid-Con play, lifting the league's membership to nine. The Mid-Con sends two teams (UMKC, Oakland) to the NCAA Men's Soccer College Cup for the second time in league history, and Oakland's swimming & diving programs set league records for consecutive titles when they sweep the Mid-Con Championships for the fifth straight time. UMKC's Michael Watson finishes his career as the league's all-time leading scorer (2,488) in men's hoops, while Oral Roberts' Caleb Green and Ken Tutt are the nation's highest scoring freshman duo. Oral Roberts sets a league record with 50 wins and finishes the season ranked in all four of college baseball's polls. Southern Utah becomes the first Mid-Con school to sweep the men's and women's cross country and indoor and outdoor track & field crowns in the same year. Oral Roberts' Prince Mumba (800 meter) and Western Illinois' Aubrey Martin (shot put) earn All-America honors at the NCAA Outdoor Track and Field Championship; Mumba runs for his native Zambia in the 2004 Athens Olympics, while Valparaiso's Joaquim Gomes plays for the Angolan Olympic basketball team. The Mid-Con Men's All Sports Award is re-named for retiring Valparaiso Director of Athletics Dr. William Steinbrecher.

2004-05
Oral Roberts' Faithy Kamangila finished 11th at the NCAA Cross Country Championships to become the first woman in school history to garner All-American honors. Oakland claims the Mid-Con men's basketball Championship on a last-second three-pointer by Pierre Dukes to win the title as the seventh seed. In its first-ever NCAA Tournament appearance, the Golden Grizzlies notched a win over Alabama A&M in the opening round before falling to eventual National Champion North Carolina in the first round. For the second consecutive season, Oral Roberts' baseball team collected a pair of victories in the NCAA tourney. The Golden Eagles had five players selected in the Major League Baseball Draft, while Oakland's Paul Phillips was the top Mid-Con player chosen in the ninth round. Western Illinois softball coach Kathy Veroni retires after 34 seasons at the helm, while ORU's Mable Kunihiro garnered All-American honors at the Outdoor Track & Field Championships with a fifth place finish in the 800-meter run.

SHREVEPORT-BOSSIER CITY

Centenary College is located two miles from downtown Shreveport, the third largest city in the state of Louisiana. Shreveport is located on the west bank of the Red River in Northwest Louisiana. Over 300,000 people reside in the metropolitan Shreveport area.

Shreveport is considered the geographical, cultural, and economic center of the region known as the Ark-La-Tex, encompassing East Texas, Northern Louisiana, and Southern Arkansas. Shreveport is only a few hours away by car from other major cities such as Dallas and Houston in Texas, Baton Rouge and New Orleans in Louisiana, Jackson, Mississippi, and Little Rock, Arkansas.

Shreveport is separated from Bossier City by the Red River, but many locals consider themselves residents of the Shreveport-Bossier region as a whole instead of one of

the specific cities. People who live here think nothing of crossing the river to take in an event, no matter which city is the official host.

There seems to always be a festival going on that shines a spotlight on some aspect of life in Shreveport-Bossier that is unique. In May, the Mudbug Madness Festival celebrates the abundance of crawfish found in the area, while African-American culture is celebrated in June with the Good Times Roll Festival, featuring music, art and food.

One of the major highlights of the year in Shreveport is the State Fair of Louisiana, held every October. The fair features more than 70 rides and one of the finest livestock gatherings in the United States.

Another major event that showcases Shreveport on a national level is the Independence Bowl, held in late December. The annual football game, featuring a team from the Big

12 Conference against one from the Southeastern Conference, is carried on national television and showcases the Shreveport-Bossier community coming together to make the event a success.

That is not the only athletic competition held in the area. The CenturyTel Center, a 12,000-seat arena opened in 2000, is the home of minor league hockey and arena football, as well as basketball games and wrestling events. National fishing tournaments and golf tournaments have also been brought to Shreveport-Bossier in recent years.

The area features a wide range of museums, from autos and aviation to science and Elvis Presley. Many of the buildings in downtown Shreveport are now listed on the National Register of Historic Places, and a trip to the piney woods of Northwest Louisiana will yield visits to rural towns such as Vivian, Plain Dealing and Shongaloo, each one with its own collection of treasures, history, and fine dining.

There are plenty of outdoor activities in the Shreveport-Bossier area. From hiking at the Cypress Black Bayou Recreational Area to golfing at Olde Oaks Golf Club, a Hal Sutton signature course and part of the Audubon Golf Trail, there is something for everyone.

Festival Plaza near Downtown Shreveport, where many gatherings are held throughout the year, such as the Mudbug Madness Festival and the Red River Revel.

THE COLLEGE

Centenary College of Louisiana is a selective liberal arts college offering undergraduate programs in the arts, humanities, natural sciences, and social sciences, as well as a limited number of graduate programs. Students and faculty work together to sustain a community focused on ethical and intellectual development, respect and concern for human and spiritual values, and the joy of creativity and discovery. Consistent with its affiliation with the United Methodist Church, the College encourages a lifelong dedication not only to learning but also to serving others.

In pursuit of these ideals, the College challenges its students to write and speak clearly; to read, listen, and think critically; to comprehend, interpret, and synthesize ideas; to analyze information qualitatively and quantitatively; to appreciate the diversity of human cultures; to respect the value of artistic expression; to realize the importance of a healthy mind and body; and to recognize the interdependence of people and the environment.

Academic Program

Centenary College of Louisiana offers three undergraduate degree programs: the Bachelor of Arts, the Bachelor of Science and the Bachelor of Music.

The Centenary curriculum aims to produce graduates of extraordinary intellectual and vocational versatility who are prepared to assume responsible positions in their communities and professions. The College prepares its students in critical thinking and in the fundamental communication skills of writing, speaking and numeracy.

The core curriculum begins with the First-Year Experience, which initiates an emphasis on critical thinking and rhetorical skills in an interdisciplinary context. The balance of the core curriculum further develops these skills while it introduces students to basic areas and fundamental techniques of human inquiry. Specific core requirements are the First-Year Experience and selected courses offering inquiry in the humanities, mathematics, natural sciences, and social sciences. Additionally, all undergraduates participate in the Centenary Plan, which involves a

service-learning project, career exploration, and an intercultural experience.

Academic Facilities

Centenary has a personal computer for one of every three undergraduates. Every residence hall room is wired for free, direct Internet and computer connections. Some 30 computer laboratories are spread throughout campus, as are numerous multimedia editing and projection facilities. The Magale Library, the academic heart of the campus, has a wealth of volumes, searchable databases, personal computers, multi-media accessories, and software programs.

Specially equipped buildings and facilities include the Marjorie Lyons Playhouse, the Gold Dome, the Fitness Center and Swimming Pool, Mickle Hall of Science, Hurley Music Building, Jackson Hall, Turner Art Center, and the Meadows Museum of Art.

Faculty

More than 90 percent of Centenary's faculty hold the highest degree in their disciplines. There are 74 full-time and 41 part-time faculty members, with a student-faculty ratio of 12 to 1. There are no graduate students teaching classes at Centenary. The primary emphasis is on

teaching, although research and service activities are also important components of the Centenary experience. These activities involve undergraduates to an extent unavailable at large institutions.

Summary

Academic and co-curricular programs support students in their development and encourage them to become leaders in the work place, the community, the nation, and the world at large.

CENTENARY ATHLETICS

Centenary College of Louisiana has fielded an athletic team in at least one sport since 1894, when the football team faced Louisiana State University. Centenary's football squad was one of the best in the South in the first half of the 20th century, the high point being an undefeated 10-0 season in 1927.

Centenary produced professionals Conway Baker, Buddy Parker, and Cal Hubbard. Hubbard is a member of three halls of fame: Pro Football Hall of Fame, College Football Hall of Fame, and Baseball Hall of Fame. However, the poor oil economy in the area forced the discontinuation of the football program in 1947.

The 1920s saw the establishment of the men's basketball and baseball teams at Centenary. The basketball Gents have had 44 seasons with a .500 or better winning percentage, including the 2003-2004 campaign.

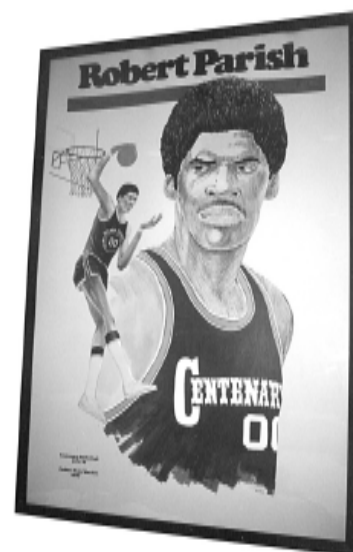

Hal Sutton '81

From 1972 to 1976, Robert Parish dominated Centenary's opponents, leading the Gents to an 87-21 record over that span. Parish still holds numerous Centenary records, including the single game scoring record (50 points vs. Lamar in 1972), the single season rebounding record (18.7 rpg in 1972-73), and the career record for most field goals made (1,034). Parish was drafted in the first round by the Golden State Warriors in 1976 and later, as part of arguably the greatest frontcourt in NBA history, won three NBA championships with the Boston Celtics in the 1980s. In April 2003 Parish was chosen to be inducted in the National Basketball Hall of Fame.

With a new 1,000-seat stadium, the baseball team is attracting top players to play for Centenary and top teams to play against the Gents. Thirty-two players who put on the Centenary uniform have gone on to play professionally. In recent years, the Gents have hosted Nebraska, Texas A&M, LSU and Arkansas. Northern Iowa and Oklahoma are among the teams listed to battle the Gents on the 2006 schedule.

In 1980 the Golf Magazine College Player of the Year did not come from a traditional power. Hal Sutton, a native of Shreveport who stayed home to attend Centenary, won that honor as well as the 1980 U.S. Amateur. Sutton has gone on to win two Players Championships, a PGA Championship, and a Tour Championship, as well as earn a spot on four U.S. Ryder Cup teams. In 2004, Sutton served as the Ryder Cup captain for the United States squad.

Recently Centenary athletes have found their names at or near the

Robert Parish '76

top of the NCAA rankings. In 2000, women's soccer player Lara Brown led all Division I players in points per game and goals per game. Ronnie McCollum followed suit during the 2000-2001 basketball season, leading the nation in scoring. Andrew Wisniewski picked up where McCollum left off, finishing in the top 20 in scoring and steals during the 2002-2003 season.

With the addition of men's and women's swimming in 2002-2003, Centenary now sponsors 16 intercollegiate sports, as many as any other Division I program in Northern Louisiana. Recent athletics highlights include the gymnastics team winning the 2004 USAG National Championship and the softball Ladies earning a trip to the NCAA Tournament in both the 2004 and 2005 seasons. In addition, the women's soccer team has qualified for the Mid-Con Tournament in every campaign since joining the league in 2003.

PRESIDENT OF THE COLLEGE

DR. KENNETH L. SCHWAB **President**

Dr. Kenneth L. Schwab, President of Centenary College since 1991, has been firmly established as an excellent educator and administrator over 30 years of service. During his career, Dr. Schwab has consistently applauded student athletes who pursue academics and sports with equal fervor, discipline, and high standards, and it is these characteristics that make Centenary Gents and Ladies stand out among their peers.

A tenured professor in the Department of Education, Dr. Schwab hails originally from Indiana where he received his bachelor's degree from Purdue University in 1969. He then earned his master's in guidance and counseling from the University of North Carolina-Greensboro in 1972 and his doctorate in higher education administration at Indiana University in 1978.

Though Dr. Schwab has held many administrative positions at Centenary and other institutions, he continues to pursue his own scholarship as well, publishing a book, numerous articles, and several institutional planning documents regarding presidential leadership and transformational change. Indeed, Dr. Schwab's keen interest in leadership and strategic planning helped Centenary's latest comprehensive campaign raise over \$100 million for the college. This amount exceeded the initial goal by over \$30 million, enabling Centenary to build two new music facilities as well as renovate residence halls and the fitness center.

These improvements do not merely benefit the campus, though. From the arboretum to the chapel, the playhouse to the library, recital halls to the Gold Dome, Centenary encourages student involvement, preparing scholars for active civic participation. This small liberal arts institution focuses on the student and endeavors to facilitate academic, athletic, and social development for the whole person. Our faculty and staff are committed to these goals, particularly for student athletes.

Dr. Schwab has actively involved himself with Centenary students throughout his tenure here. He team-taught Centenary's First-Year Experience program with the college's Chair of Liberal Arts one semester, and he travels with various Centenary groups like the college choir, always remaining a great Gents and Ladies supporter. In fact, he and the Centenary Gent mascot led the campus as they unveiled the new fitness center.

Active on-campus and off, Dr. Schwab participated in the Salzburg Seminar sponsored by the W.K. Kellogg Foundation, served as a European Community Visitor to the Commission of European Communities, and continued his scholarly work at Oxford, Johns Hopkins, and Harvard Universities. He also represents Centenary on a number of community and academic boards, including the Associated Colleges of the South Board of Directors.

Dr. Schwab's wife, Pat, earned her doctorate in education and now teaches a course each semester at Centenary. Their three sons (Kempton, Carlton, and Christopher) played select soccer throughout their school years.

Centenary President Dr. Kenneth Schwab cheers along with the students in the stands at the Gold Dome.

ATHLETIC DIRECTOR

TAYLOR MOORE
Director of Athletics

Taylor Moore, a Centenary alum and former owner of the Shreveport Captains baseball team, became the College's athletic director on July 1, 2003. Moore replaced Dr. David Bedard, who decided to return to the classroom as a professor of health and exercise science after serving as athletic director for almost four years.

A 1969 Centenary graduate and former Centenary baseball coach, Moore was president and majority owner of Shreveport Baseball, Inc., which operated the Shreveport Captains Baseball Club, until he sold the franchise in 2000. The Captains were a Double-A professional baseball club affiliated with the San Francisco Giants.

Moore has stayed active within the Centenary community, serving as a board member and former president of the Centenary Gents Club. In 2001 he received the Centenary Alumni Association's highest honor when he was named to the Alumni Hall of Fame.

Moore took over a program that began play in the Mid-Continent Conference in 2003 after four years as an independent. He has used his experience and leadership to make sure that Centenary athletics continues to grow and compete in its new home.

"Centenary has an exciting future ahead in athletics and I am pleased and honored to be able to have a part in it," Moore said. "I've been a member of the Centenary family for so long. I have great respect for the College and its role in Division I competition."

Moore has been recognized with the Texas League Award of Merit for 25 years of leadership, the Shreveport-Bossier Advertising Federation's Award of Excellence, the Sports Foundation Sportsman of the Year Award and the *Shreveport Journal* Sportsman of the Year designation.

Long active in local civic affairs, Moore is a board member of the Frost Foundation, the Committee of One Hundred, and Crimestoppers of Shreveport. He also spent time as a member of the Centenary College board. Before taking over as athletics director, he served as secretary and member of the Executive Committee of the Centenary Board of Trustees.

**"Taylor Moore hit the
ground running and we are
fortunate to have someone
of his caliber leading us
into this historic time for
Centenary athletics."**

**-Dr. Kenneth L. Schwab
Centenary President-**

**Head Athletic

Alan Edwards

Athletic Trainer
Dustin Bradstreet

Alan Edwards begins his 11th year as head athletic trainer for the Centenary athletic program. Edwards is a 1991 graduate of McNeese State University with a bachelor of science in health and physical education. He earned his master's degree in exercise science at Northeast Louisiana University in 1993. Edwards' services are provided through a partnership between Centenary College and Christus Schumpert Health System.

Dustin Bradstreet enters his third year as an athletic trainer at Centenary having moved to Shreveport from Wichita, Kansas. Bradstreet is a 2001 graduate of Fort Hays State University where he received a bachelor of science degree in physical education with a focus in athletic training. He continued his education at Fort Hays and graduated in 2003 with a masters degree in Health and Human Performance with emphases in exercise science and sports administration. He is certified with the National Athletic Trainer's Association Board of Certification and has been in good standing since 2001.

Edwards and Bradstreet also supervise student and volunteer assistants as they gain valuable experience in their pursuit of becoming Certified Athletic Trainers. Student and volunteer assistants obtain practical experience at home and on the road, working with the Gents and Ladies athletic teams.

The Centenary College sports medicine facility is located on the bottom floor of the Gold Dome, where continued improvements have resulted in an enhanced facility.

The improvements include an upgraded computer system with injury tracking software, the addition of two stationary bicycles, and an increased storage capacity for the daily supplies used in treatments of student-athletes.

The training room is equipped with modalities to assist athletic trainers in the treatment of injuries of Centenary athletes. The room also contains training tables, an ice machine, and a whirlpool.

Head Athletic Trainer Alan Edwards works on the back of a volleyball player before a practice. Edwards works with Centenary's athletes before, during, and after all Centenary practices and athletic events. The stimulus machine being used is one of the newer additions to the training room.

“HOME OF THE LADIES”

The geodesic Gold Dome, constructed in 1970, is a landmark located just south of the main Centenary College campus. Besides housing the Centenary volleyball team, the Gold Dome is also the home of the Centenary basketball and gymnastics teams.

The multi-purpose facility, constructed at a cost of \$1.3 million plus equipment, has a seating capacity of 3,000 with cushioned armchairs on the upper level and bleachers on both sides of the floor.

Unique features of the structure include indirect lighting and the attractive gold anodized aluminum dome. The completely air-conditioned facility also contains office space for the athletic department, a classroom, a hospitality area, and seven large carpeted dressing rooms.

Like the building itself, the floor area is multi-purpose. A portable hardwood floor was inserted in 1989 for basketball. With a Tartan-based surface underneath, the floor area can easily be converted into two crosscourt basketball courts, eight volleyball courts, or 16 badminton courts.

In the fall of 2002, the Wilhite Media Room was completed inside the Gold Dome. The room features stadium seating, a projector, and sophisticated computer software that allows teams to edit game footage in order to better scout and review opponents. The Wilhite Media Room is most commonly used as a meeting room for teams and staff as well as a working room for the media during events held in the Gold Dome. All press conferences are also held in the room.

The Sports Fitness Center is also utilized by the athletic department. The \$10 million facility, remodeled and expanded, reopened in 2000 with state of the art weight and exercise machines. Players can workout in the facility both on their own and with their team. Other features of the Fitness Center include: hot tubs and saunas, a pool, dance studios, dressing rooms, and courts for basketball and raquetball.

HEAD COACH

JENNY HAZELWOOD
Head Coach

Jenny Hazelwood begins her fourth season as head coach of the Centenary volleyball team after being appointed to lead the program on April 29, 2002. Hazelwood came to Centenary after coaching two years at Mississippi College, a Division III institution.

Coach Hazelwood's teams at Centenary have improved greatly over her three years at the college. Several of her first recruits already rank in the top ten of multiple Ladies career records and some have set new individual season marks. In addition, her players have been rewarded with post-season accolades ranging from All-Conference to All-Louisiana. In 2002, Hazelwood was honored by her peers for her immediate improvement of the Centenary Volleyball program as she was named Independent Coach of the Year.

As a collegiate athlete, Hazelwood was a four-year starter for the Mississippi State volleyball team from 1996 to 1999. Running the Bulldogs offense at the setter position, she set school records for most assists in a match (83 vs. UNC Charlotte), in a season (1,541 in 1996), and in a career (5,505). She was named to the SEC Academic Honor Roll all four years at Mississippi State (1997-2000) and won the school's annual Newsom Award in 1999.

Not only did Hazelwood finish first in career assists for Mississippi State, but her 5,505 career assists also places her fourth all-time in Southeastern Conference history. She also finished in the top ten in other career categories at Mississippi State, placing sixth in career digs (1,107) and eighth in career block assists (199).

Since becoming Centenary's head coach, Hazelwood has continued to spread her love for the sport of volleyball by instructing at multiple summer camps throughout the South. She has been a regular for several years at Judy Green's Volleyball Camp at the University of Alabama, the University of North Alabama Volleyball Camp, and the LSU Volleyball Team Camp in Baton Rouge.

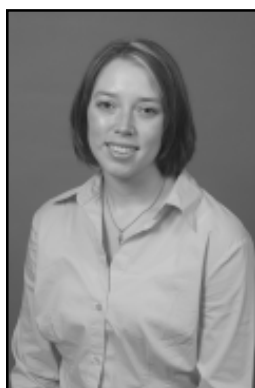

Hazelwood received a bachelor of science degree in education and fitness management from Mississippi State in 2000 and a master's degree in applied communications from Mississippi College in 2002. She is married to Brian Hazelwood, a former member of the Mississippi State football team and current placekicker for the Bossier-Shreveport Battlewings of the Arena2 Football League. Hazelwood and her husband have a daughter, Allison "Allie" Riley, born April 4, 2005.

She comes to Centenary after an outstanding playing career at Texas-San Antonio where she also served as a coach. On campus she was a member of the Fellowship of Christian Athletes and the Student-Athlete Advisory Committee (SAAC). From 2003 to 2005, Fry served as President of the SAAC organization. She continued to hold membership in both delegations until her graduation in 2004.

In 2004-05, Fry was a student coach for her alma mater. However, her coaching experience is not limited to UTSA, as she has an extensive coaching background in the club ranks dating back to 2001. She has also served as an instructor at the UTSA Volleyball Camps from 2000 to the present day.

"We are very fortunate to be able to add Teri to our staff," said head coach Jenny Hazelwood. "Her experiences as both a player and a coach at Texas-San Antonio allow her to bring a wealth of ideas to our program."
